GOVERNMENT PRINTING IN MYSORE.

Bangalore, dated....18th May.....1927

P and S 63-26-

Dear Sir,

I beg that sanction may be kindly accorded for my having printed the question papers of the University Examinations of another Indian University in the Government Press. I had taken the informal permission of the Dewan Sahab and have mentioned the fact both to the Second and Third Members of Council. I am not mentioning the name of the University on paper here for obvious reasons.

The papers were printed both in the Central Press and at the Branch Press at Mysore, the English ones in the former and the Vernacular ones in the latter, 56 papers in each Press, and the printed copies were taken delivery of by the Registrar in person of the University in question. The proofs were likewise delivered to him in person and were returned also by him in person, the medium of the post being eliminated to the greatest possible extent. The Vice-Chancellor has written me to say that the work was carried out successfully and punctually without any hitch.

I am sending a bill for Rs 550/- to the Registrar for printing these papers and as soon as the cheque is to hand, it will be credited to the Treasury.

I beg that formal sanction of Government may be kindly accorded for the execution of the work and also for the acceptance of a remuneration of Rs 250/- each by myself and by Mr. Srinivasa Iyengar, Asst. Superintendent,

Government Branch Press, Mysore, for having done the work.
I may add that the Mysore University pays us each R^s 200/-
for printing their papers and we have each claimed only
R^s 50/- more for the work done with extra care and trouble
for the outside University.

Yours sincerely,
